26th January 2018

Dear Parent / Carer,

Miss Carberry and Mrs Logie would like to invite you to attend the launch of the Primary 1 Book Bug bags, on Thursday, 1st February 2018 at 2.00pm.

The Book Bug bags, which will be issued to P1 children fortnightly, encourage our young learners to develop a love of reading which will support learning and help learners to develop a solid foundation in Literacy. In addition, the bags provide parents with a range of activities, linked to each story, so that you can share in your child’s learning.

The launch will include an overview of how the bags will work and an opportunity for you to work with your child.

We recognise that many parents are unable to attend such events, due to work commitments. In order to make the launch accessible to all parents we will be trialling a new initiative that will allow parents to log in and watch the teacher’s presentation from their computer or mobile device.

If you would like further information about accessing the presentation from your computer or mobile device please contact me via email at gw08oneillrobbie2@glow.sch.uk.

Please complete the slip below, indicating the number of adults attending, if you are able to join us for the P1 Book Bug bag launch.

Robbie O’Neill
Acting DHT
