# Google Classroom on a Google Device

Every child in a South Lanarkshire school is issued a Glow login when they start school. This login is used to access a wide range of online resources, including Google Classroom. Your child should have been given this username and password. If you don't have the login details, please email the school office.

Many of you will be accessing Google Classroom using a Chromebook or Android based tablet. Upon setup, these devices require the creation of a Gmail Account. For your child to successfully access Google Classroom on the Chromebook or Android based tablet you will have to follow the following guidance.

Search for Glow Login on the internet browser, and click the link shown.
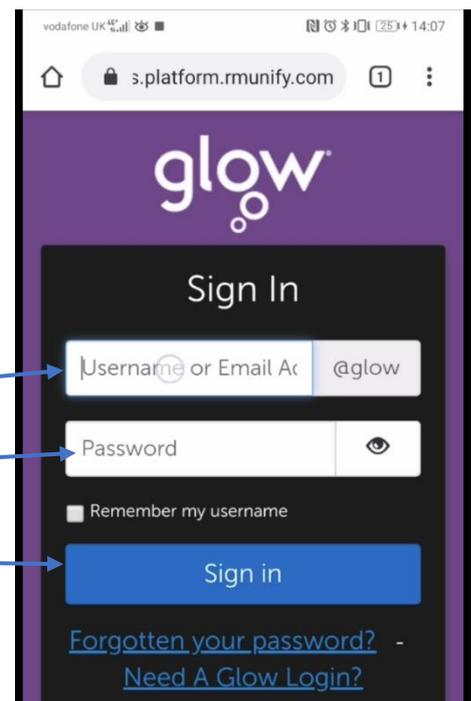

'Glow - Sign In - RM Unify'

At the Glow Sign In page login using the details provided.

eg.

Username: gw16smithmax1
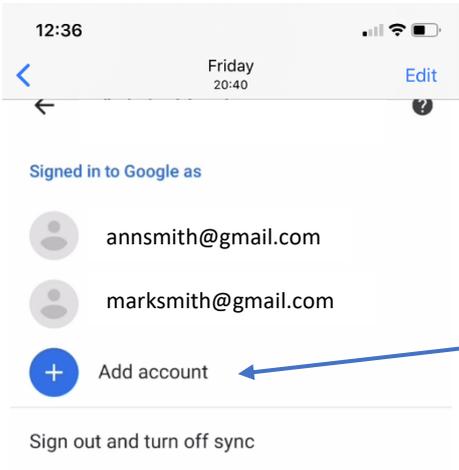

Password: glow max

Click Sign in.

Click the Google Classroom tile.

When you click on Google Classroom you will see a screen like the one opposite.

At this point you will need to click on,

'Manage accounts on this device'
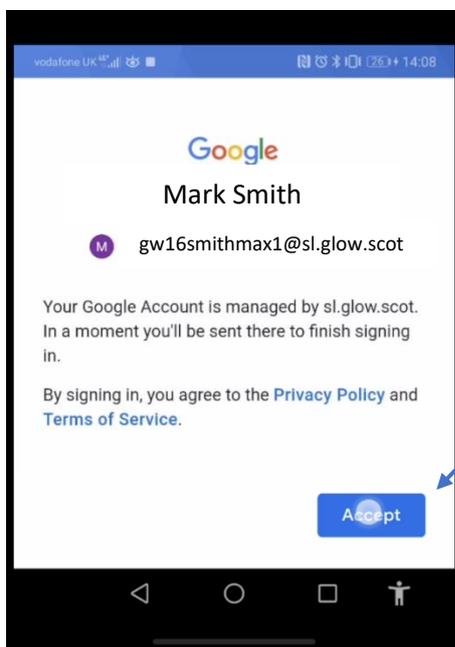

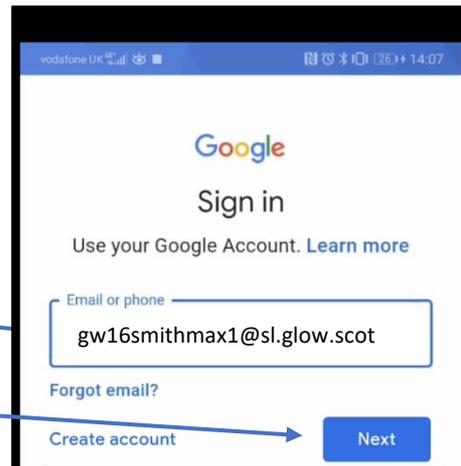

to add your child's Glow account

Click

Add account

At this point you need to input your child's Glow email; however, the format is slightly different than their normal Glow email address.

When entering use,

gw16smithmax1@sl.glow.scot

Then click Next

Google

Sign in

Use your Google Account. Learn more

Need A Glow Login?

Only Glow users are allowed to access this service. If you do not have a Glow username and password then you may be committing an offence by trying to gain access to this service.

Find out more about Glow

Click on the new account

You should now have access to Google Classroom.

Please refer to the other guide,

'Google Classroom Parent Help-sheet'

(emailed out to parents previously) for further guidance on how to navigate Google Classroom.
